

STACY SEVERN TINKHAM

New York-born Stacy Severn Tinkham is buried here. His father, Adam R. Tinkham purchased the Thayer ranch in Spanish Spring Valley, Glendale Precinct in 1882, where the family lived for over twenty years.

Stacy's parents, Adam and Helen (nee Cowles) TINKHAM, left the bulk of their substantial estate to the State of Nevada, specifically "Nevada State Hospital for Mental Diseases", for the continuing care, maintenance, burial and headstone for Stacy, specifying he was to be buried next to his parents at Mountain View Cemetery in Reno.

Stacy's brother died in 1902 and his parents in 1903 and 1906. Stacy died in 1934 and was buried in the asylum cemetery in an unknown, unmarked grave. The hospital certainly did not bury Stacy next to his parents or provide a headstone for his grave.

What the State did with the Tinkham trust fund is unknown.
